

## JOINT TESTER

### **Dimensions**

Equipment Weight - (kg).....: 26

### **Type**

Description.....: Internal Joint Tester

Serial no.....: IWT-054

### **Flow / Pressure / Volume**

P-max (bar).....: 384

Plug Outside Ø (mm).....: 133.5

Range of use - Minimum (Ø mm).....: 160.0

Range of use - Max recom.(Ø mm): 164.0

Plug Length (mm).....: 395

### **Connections**

Inlet connection.....: 1/4" BSP

### **Additional information**

Equipment / Functions.....: Plug Installation length: 265.0mm  
Distance between seals: 166.5mm
