

JOINT TESTER

Dimensions

Equipment Weight - (kg).....: 28

Type

Description.....: Internal Joint Tester
Serial no.....: IWT-056

Flow / Pressure / Volume

P-max (bar).....: 384
Range of use - Minimum (Ø mm)....: 168.0
Range of use - Max recom.(Ø mm): 174.0
Plug Length (mm).....: 395

Connections

Inlet connection.....: 1/4" BSP

Additional information

Equipment / Functions.....: Plug Installation length: 265.0mm
Distance between seals: 166.0mm
