

## JOINT TESTER

### **Dimensions**

Equipment Weight - (kg).....: 33

### **Type**

Description.....: Internal Joint Tester  
Serial no.....: IWT-058

### **Flow / Pressure / Volume**

P-max (bar).....: 384  
Plug Outside Ø (mm).....: 156.5  
Range of use - Minimum (Ø mm).....: 180.0  
Range of use - Max recom.(Ø mm): 186.0  
Plug Length (mm).....: 396

### **Connections**

Inlet connection.....: 1/4" BSP

### **Additional information**

Equipment / Functions.....: Plug Installation length: 277.5mm  
Distance between seals: 166.5mm
