

## JOINTTESTER

### Dimensions

Length(mm).....: 1	Width(mm).....: 17	Height(mm).....:
--------------------	--------------------	------------------

### Construction year

Built.....: 2020
------------------

### Type

Item type.....: Internal Joint Tester
Fabricator.....: Stats Group
Model.....: TT0017
Serial no.....: 251008

### Flow / Pressure / Volume

P-max (bar).....: 500
Nominal Pipe Size (Inches).....: 1.00
Nominal Pipe Schedule.....: 160 (3/4" SCH Std, 40, 40s, 80, 80s)
Plug Outside Ø (mm).....: 18.0
Range of use - Minimum (Ø mm)....: 20.5
Range of use - Max recom.(Ø mm): 23.0
Plug Length (mm).....: 340

### Connections

Inlet connection.....: 1/4" BSP
---------------------------------

### Additional information

Equipment / Functions.....: Plug Installaion length: 150.0mm
