Declaration on fulfilled system-certification according to the ASRP-program IAF MD3:2008

International Accreditation Forum (IAF) has in their Mandatory Document (IAF MD3:2008) stated that the certification body can delegate the follow-up responsibility of their management system to the organization itself on certain conditions outlined in the MD 3:2008 and presupposed that the organization has been operating an accredited certification scheme for minimum one certification cycle (3 years).

International Accreditation Forum (IAF) har i deres Mandatory Document (IAF MD 3:2008) gitt sertifiseringsorganet fullmakt til å delegere oppfølgingsansvaret av styringssystemet til organisasjonen selv på vise betingelser som er angitt i MD 3:2008 og forutsatt at organisasjonen har hatt en akkreditert sertifisering i minimum en periode (3 år).

We hereby declare that IKM Testing AS has successfully been assessed against the ISO 9001:2008, NS-EN ISO 14001:2004 and OHSAS 18001:2007-standards and approved according to the ASRP-Program.

Vi bekrefter med dette at IKM Testing AS har blitt sertifisert mot NS-EN ISO 9001:2008, NS-EN ISO 14001:2004 og OHSAS 18001:2007-standardene og er blitt godkjent iht. ASRP-programmet.

Sincerely yours
for Teknologisk Institutt Sertifisering AS

Atle Bergquist
Managing Director
