Unit no. AM-081

IKM Testing AS

AIR MOTOR

Dimensions

Length(mm)....: 178 Width(mm)....: 93 Height(mm)....: 93
Equipment Weight - (kg)....: 4

Area of use / certification

Onshore/offshore....: Offshore
Standard....: II 2 GD c IIB 95°C X

Type

Description....: Air motor for cutting and machining tools
Fabricator....: Ingersoll Rand
Model....: 3800P
Serial no....: 9175
Straight / Angle....: Straight
Hydraulic / Air....: Air
Power (hp)....: 1.5
Reversible....: No
Speed (rpm)....: 300
Max. Torque (Nm)....: 38.3

Connections

Air supply (P@Q)....: 6.2 bar @ 22 ltr/sec

Additional information

Equipment / Functions....: FEATURES
- Meets ATEX Standards
- Durable. The 3800 Series is designed to withstand harsh environments and keep on running.
- Ease of Service. Easily serviceable, the 3800 Series will enhance productivity by eliminating long repair times.

Performance
With variable speeds and torques and instant starting and reversing, you'll be able to work any job with ease.
