

Unit no. HHD-09B

## HYDRAULIC HOSE CUTTER

### ***Dimensions***

Length(mm).....: 1340                                      Width(mm).....: 360                                      Height(mm).....: 564  
Weight (kg).....: 220  
Lifting/ Transportation.....: Lifting lug/ attachment point for 3,25T shackle  
Certificate(s) / Serial No:.....: HHD-09B / OS-7360

### ***Construction year***

Built.....: 2015

### ***Flow / Pressure / Volume***

P-max (bar).....: 250  
Max OD Hose (mm).....: 190

### ***Connections***

Inlet connection.....: 1/2" BSP (3/4" BSP body)  
Outlet connection.....: 1/2" BSP (3/4" BSP body)

### ***Additional information***

Equipment / Functions.....: Must be powered by own pre-loaded accumulator / HPU  
Hydraulic oil Q8 Handel 32
