

## NITROGEN / AIR VENT SILENCER

### **Dimensions**

Length(mm).....: 480  
Weight (kg).....: 2

Width(mm).....:

Height(mm).....:

### **Construction year**

Built.....: 2015

### **Type**

Item type.....: Nitrogen/ Air vent silencer  
Fabricator.....: Alwitco  
Model.....: M20

### **Connections**

Inlet connection.....: 2" NPT male

### **Additional information**

Equipment / Functions.....: - Diameter body: 133 mm  
- Diameter of the endcap : 2" (50,8 mm) NPT male thread  
- Pressure (SCFM x 90 PSI) : 3200 Flow  
- Replaceable element
